

Handout: Water Fixtures Worksheet

Explore the interactive website on water fixture technologies for the home and school at: <http://www.greeneducationfoundation.org/water>. Then answer the questions below.

1. What are some water efficient options for each of the following fixture types?

A. Toilet:

B. Urinal:

C. Shower:

D. Dishwasher:

E. Water Fountain:

F. Faucet:

2. Which of the water-saving fixtures or technologies do you feel would be most beneficial to your school and why?

3. How much water could be saved over the course of a year if the school purchases this product? Explain how you would determine this figure.

4. After exploring the “How it Works” videos, select one and explain in your own words how the technology works.
